## You're Invited To Our December Physician Office Learning Sessions

Join the New England QIN-QIO for one, or more, of the following learning sessions in December!

Review the sessions below and visit our website for more details on these events. We encourage you to participate in any or all of the sessions that align with your focus. Please share this notice with any of your colleagues who might be interested.

Webinar Title	Date	Topics of Interest	Description	Register
Overcoming Challenges to MIPS Participation for Solo Practitioners and Small Practices	12/12 3:30pm - 4:30pm EST	Quality Payment Program	This event will feature a panel of experts that understand MIPS and work regularly with small practices without a certified EHR and with few resources to prepare for MIPS. The panel will focus on how to avoid 2017 penalties, what can be done in practices without a certified EHR, and how to meet minimum requirements.	<a href="#">Register Now</a>
Open Call Session: Quality Payment Program	12/13 11:30am - 12:30pm EST	Quality Payment Program	The QPP team will discuss frequently asked questions around participation in the MIPS or APM, with time for open discussion and sharing about QPP.	<a href="#">Register Now</a>
Population Health Management	12/13	Diabetes	Join the New England QIN-QIO, in partnership with the MASS League of Community Health	<a href="#">Register Now</a>

- Prevention & Management of Diabetes and Controlling High Blood Pressure in People with Diabetes	12:00pm - 1:00pm EST		Centers and the American Heart Association for this webinar. We will discuss how to design your workflow for effective team-based, patient/family-centered care to improve outcomes and lower costs for your high-risk patients with diabetes!	
Overcoming Challenges to MIPS Participation for Solo Practitioners and Small Practices	12/14 11:00am - 12:00pm EST	Quality Payment Program	This event will feature a panel of experts that understand MIPS and work regularly with small practices without a certified EHR and with few resources to prepare for MIPS. The panel will focus on how to avoid 2017 penalties, what can be done in practices without a certified EHR, and how to meet minimum requirements.	<a href="#">Register Now</a>
